ABOUT US

MAIXIN KITCHENWARE is the branch company of HUIYU TRADING CO.,LTD.

We dedicated to providing innovative borosilicate glassware products that make everyday life easier. Our extensive range of household products covers everything from food storage & bakeware, to drinkware & dinnerware, from vase to candle holders, and other high borosilicate glass items.

With continuous growth in research and product development, we are able to launch new products every year with a focus on sustainable materials and intelligent design. Our ongoing research allows us to be informed of market trends and meet the needs of our clients .

It is our philosophy to extend beyond accommodating the basic expectations of our customers by focusing on quality, innovation, and design, in order to bring convenience, pleasure, and sustainability to their daily life.

This is MAIXIN KITCHENWARE, hope to do business with you soon!
